EDUCATION

Western Governors University | Bachelor of Science | 2022

- Major: Computer Science
- Related coursework: Data Management, Structured Query Language, Introduction to AI, Software Engineering, Java and Advanced Java Concepts, Data Structures and Algorithms
- Projects:
  - Loan Approval Application
    - The loan approval application was developed in Python and Flask. It uses a machine learning solution to decide if a loan application should be approved.
    - https://github.com/drewatienza/loan_approval
  - Appointment Scheduler
    - This is a scheduling desktop user interface application created using Java and JavaFX. It uses a MySQL database to pull information.
    - https://github.com/drewatienza/appt-scheduler

California State University, Fresno | Bachelor of Science | 2007

- Major: Interdisciplinary Health and Rehabilitation Science

CERTIFICATES
